

Story 1

Electricity and consumption on india..	Electricity consumption on india..	Bar plot for total electricity consumpti..	region wise plot claeerly states consum..	plot contains consumption	plot contains bottom consumption	Usage by Region elect..
--	------------------------------------	--	---	---------------------------	----------------------------------	-------------------------

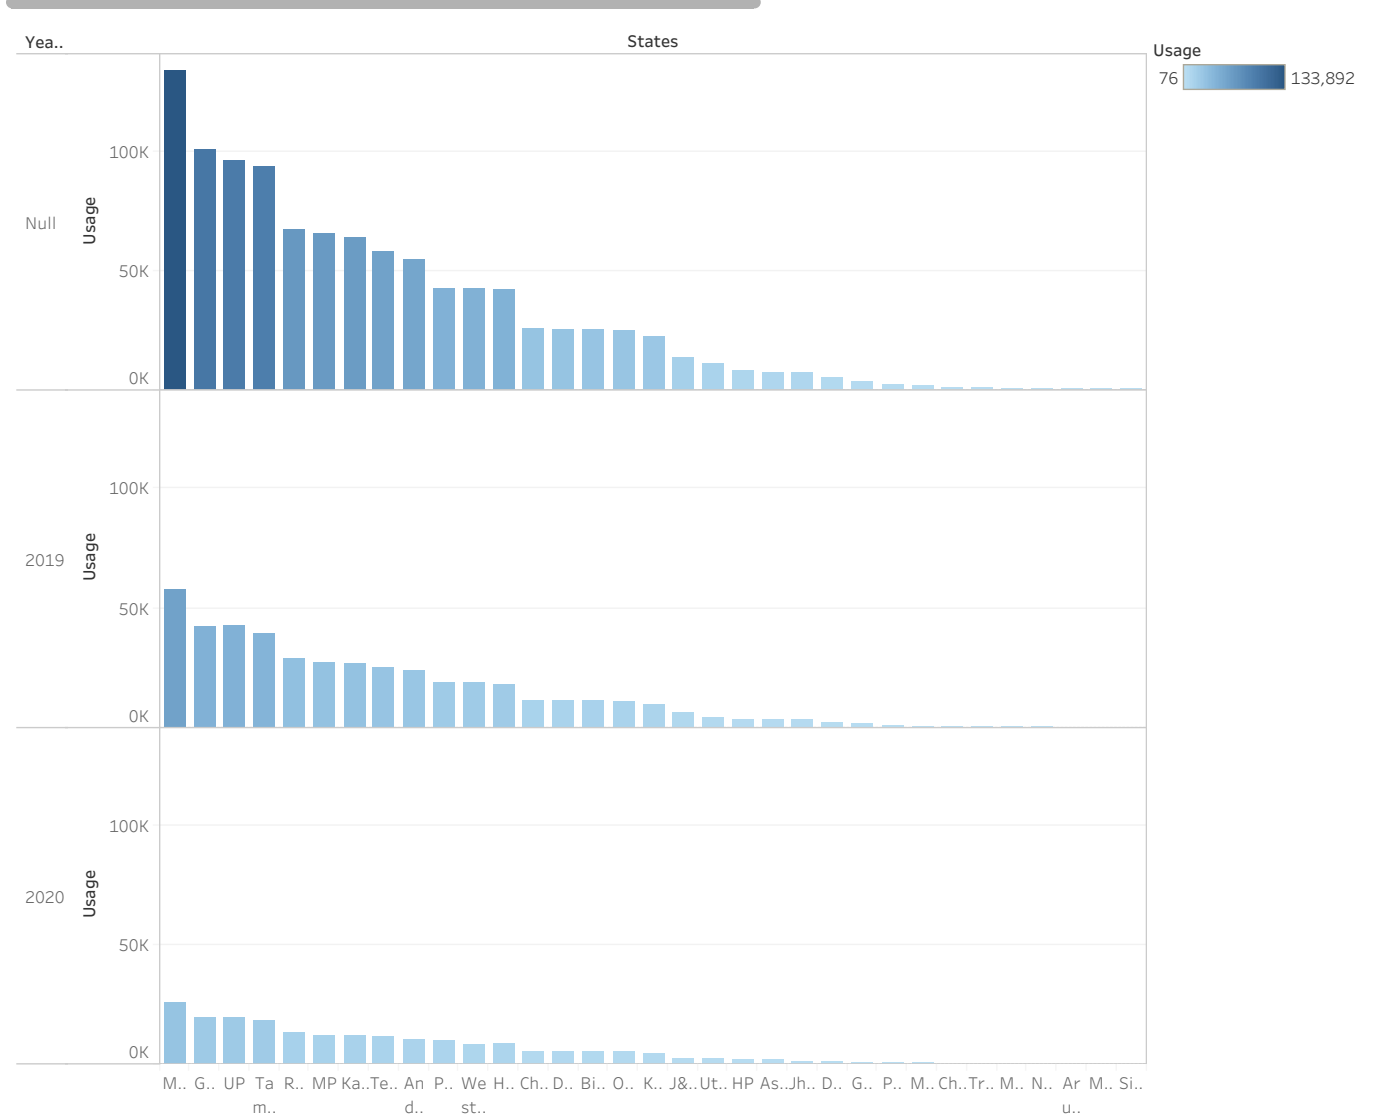

Story 1

Electricity and consumption on india..	Electricity consumption on india..	Bar plot for total electricity consumpti..	region wise plot claelry states consum..	plot contains consumption	plot contains bottom consumption	Usage by Region elect..
--	------------------------------------	--	--	---------------------------	----------------------------------	-------------------------

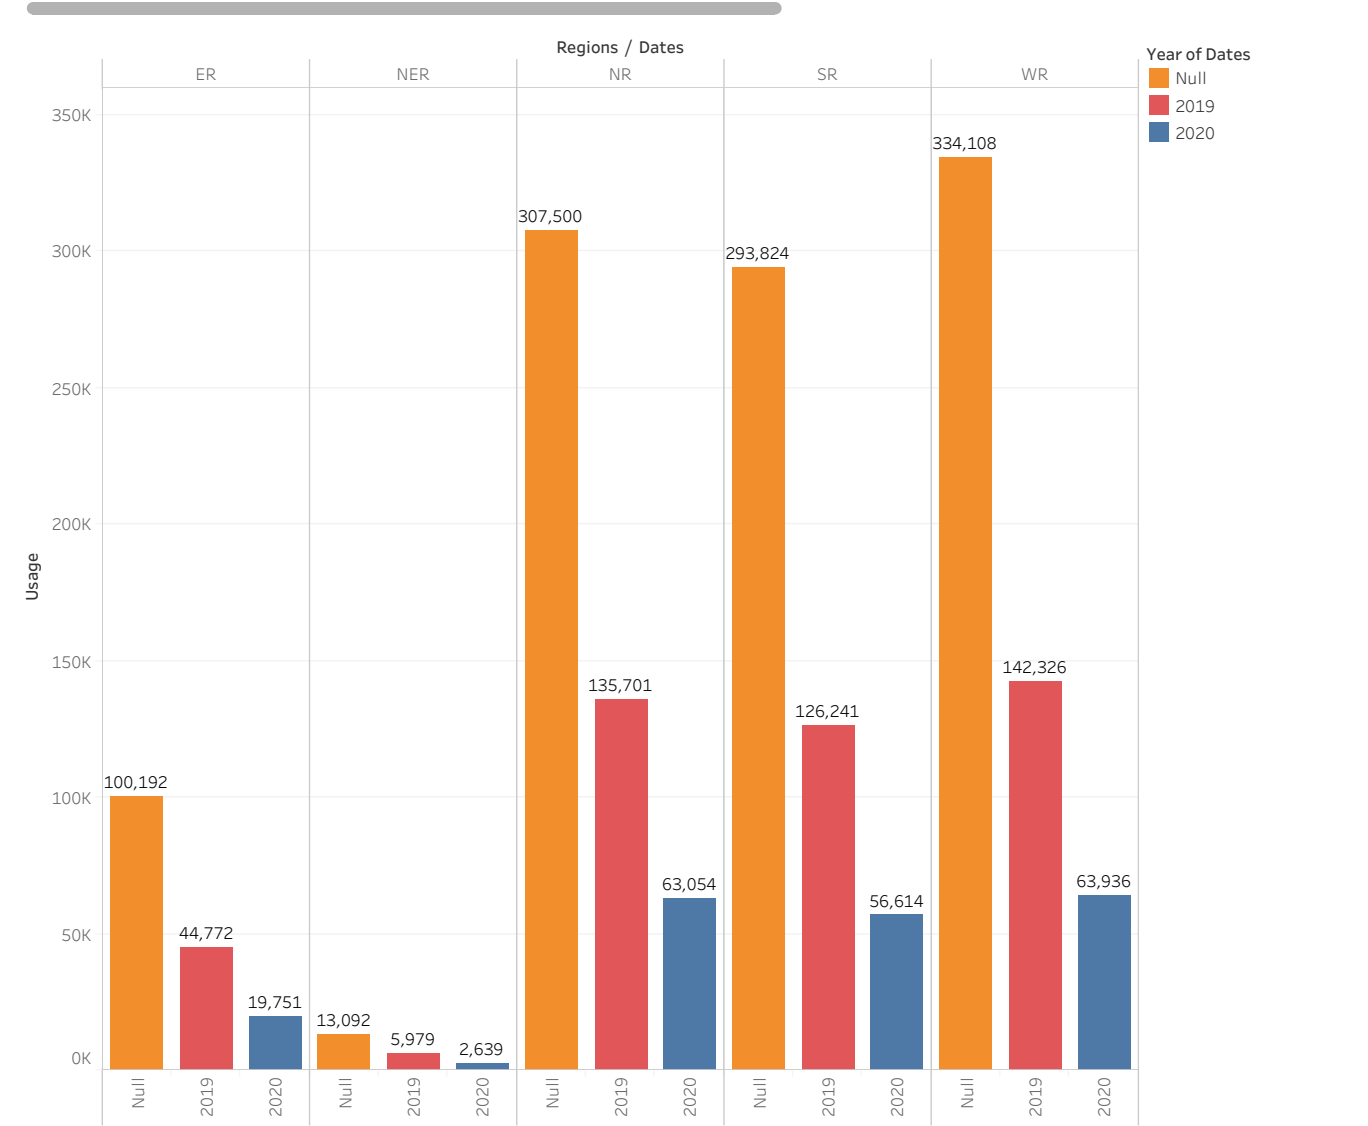

Story 1

Electricity and consumption on india..	Electricity consumption on india..	Bar plot for total electricity consumpti..	region wise plot clarly states consum..	plot contains consumption	plot contains bottom consumption	Usage by Region elect..
--	------------------------------------	--	---	---------------------------	----------------------------------	-------------------------

Story 1

Electricity and consumption on ..	Electricity consumption on india..	Bar plot for total electricity consumpti..	region wise plot claerly states consum..	plot contains consumption	plot contains bottom consumption	Usage by Region electricity consum..
-----------------------------------	------------------------------------	--	--	---------------------------	----------------------------------	--------------------------------------

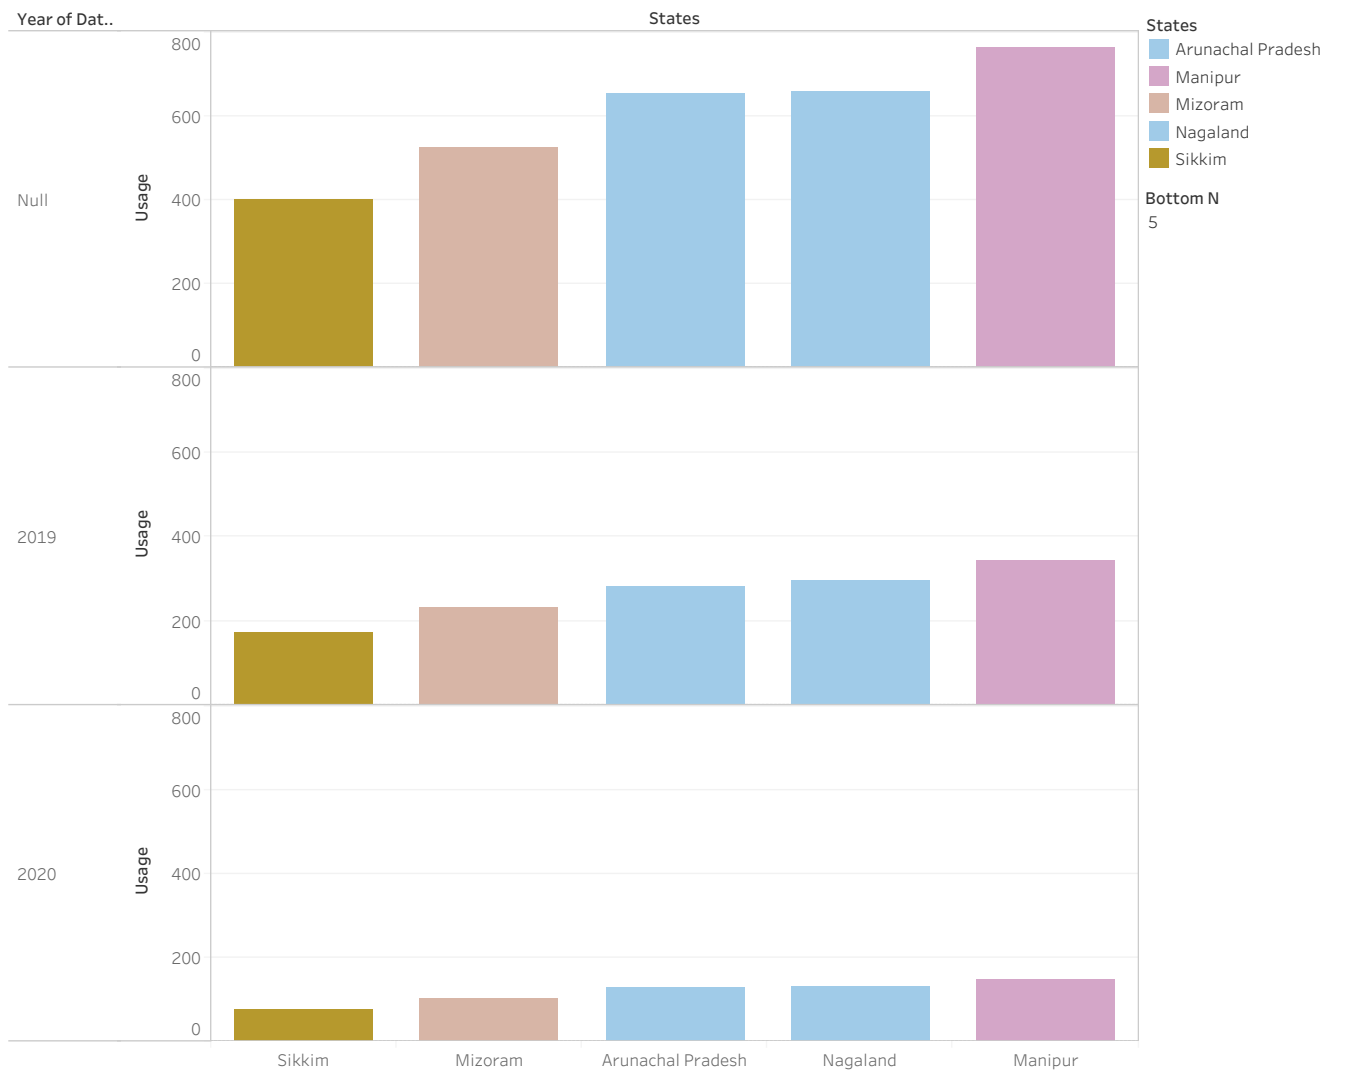

Story 1

Electricity consumption on ..	Bar plot for total electricity consumpti..	region wise plot clarily states consum..	plot contains consumption	plot contains bottom consumption	Usage by Region electricity consumpti..	monthwise region by consumption
-------------------------------	--	--	---------------------------	----------------------------------	---	---------------------------------

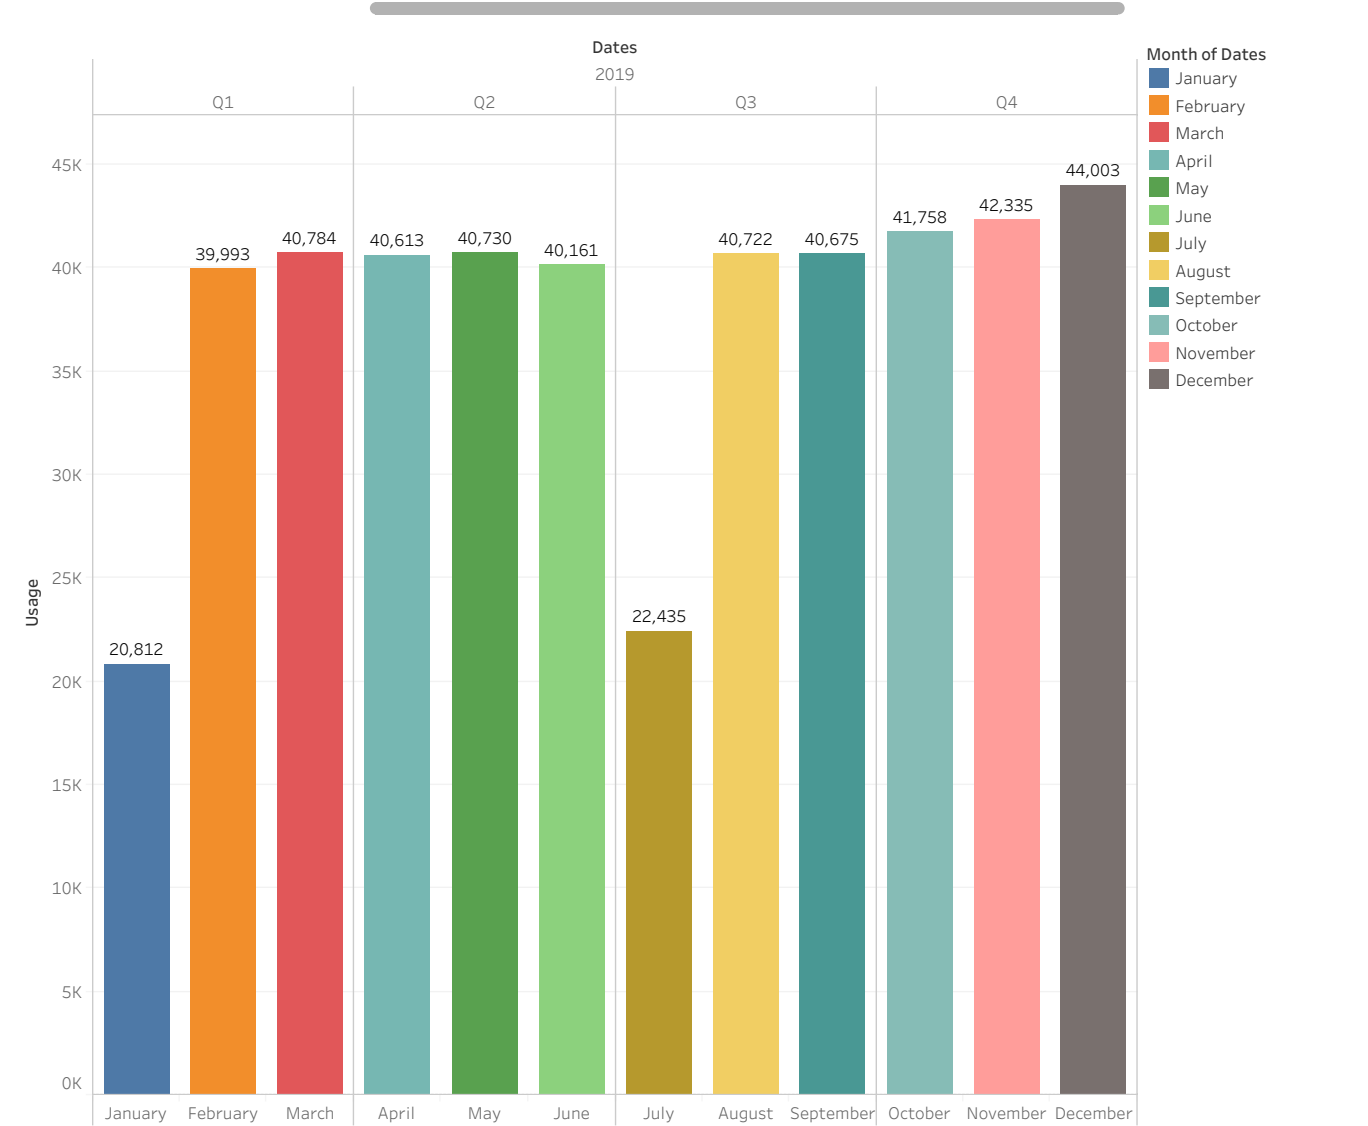

Story 1

- Bar plot for total electricity consu..
- region wise plot
clearly states consum..
- plot contains
consumption
- plot contains bottom
consumption
- Usage by Region
electricity consumpti..
- monthwise region by
consumption
- regionwise state
consumption

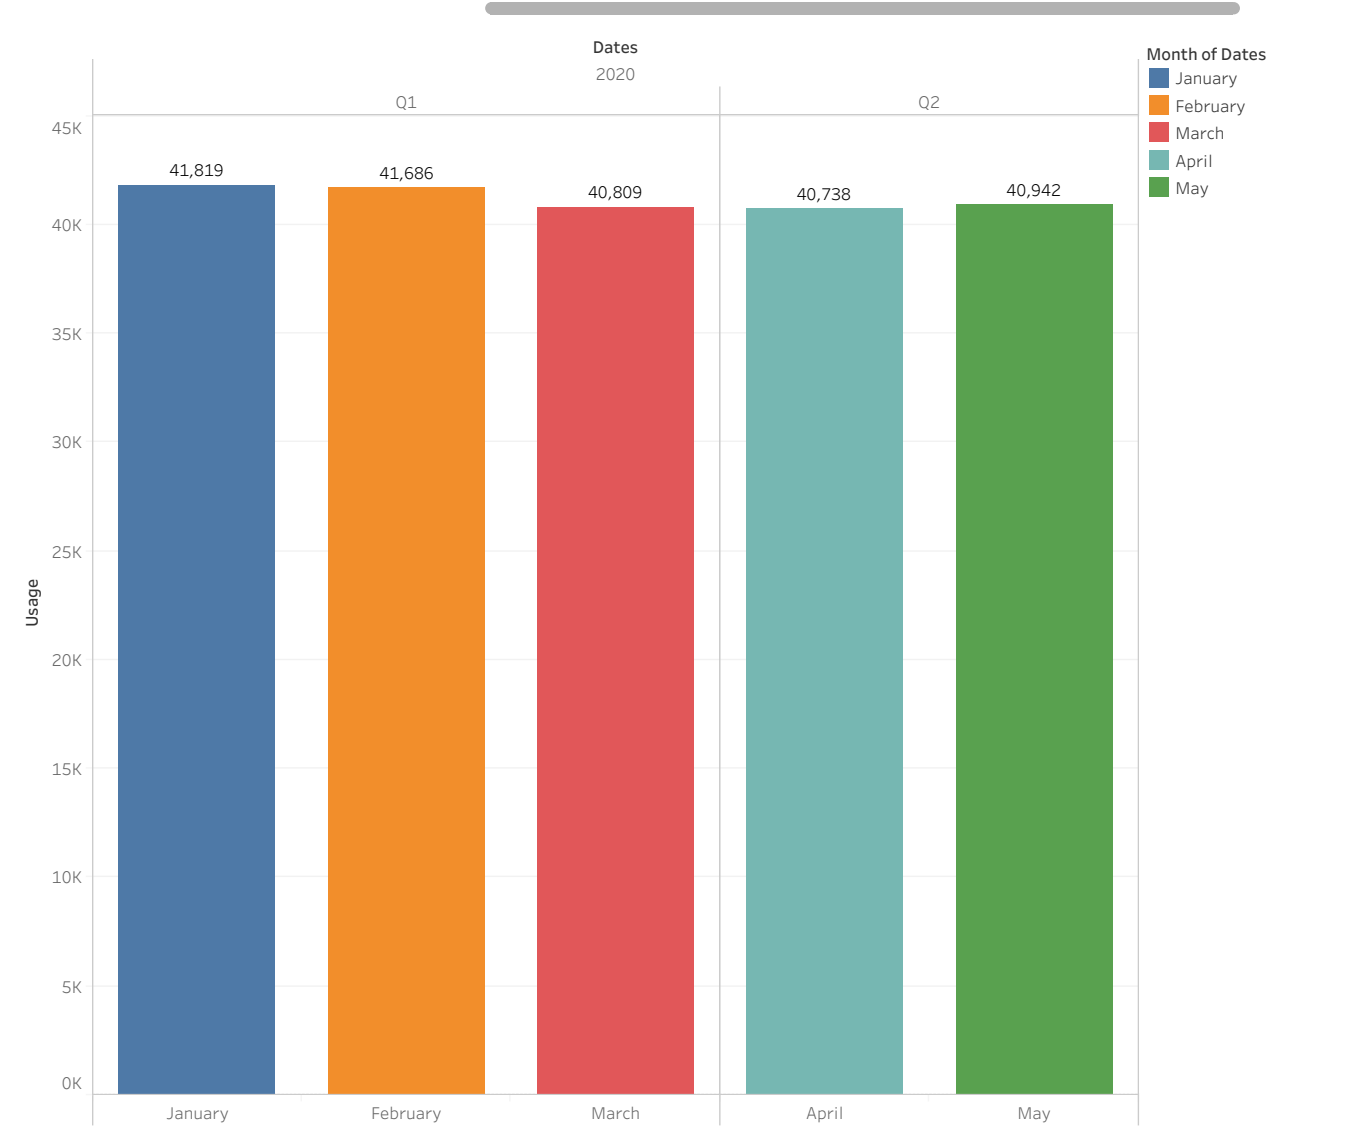

Story 1

region wise plot cl aerly states co..	plot contains consumption	plot contains bottom consumption	Usage by Region electricity consumpti..	monthwise region by consumption	regionwise state consumption	quater wise usage consumption
--	------------------------------	-------------------------------------	--	------------------------------------	---------------------------------	----------------------------------

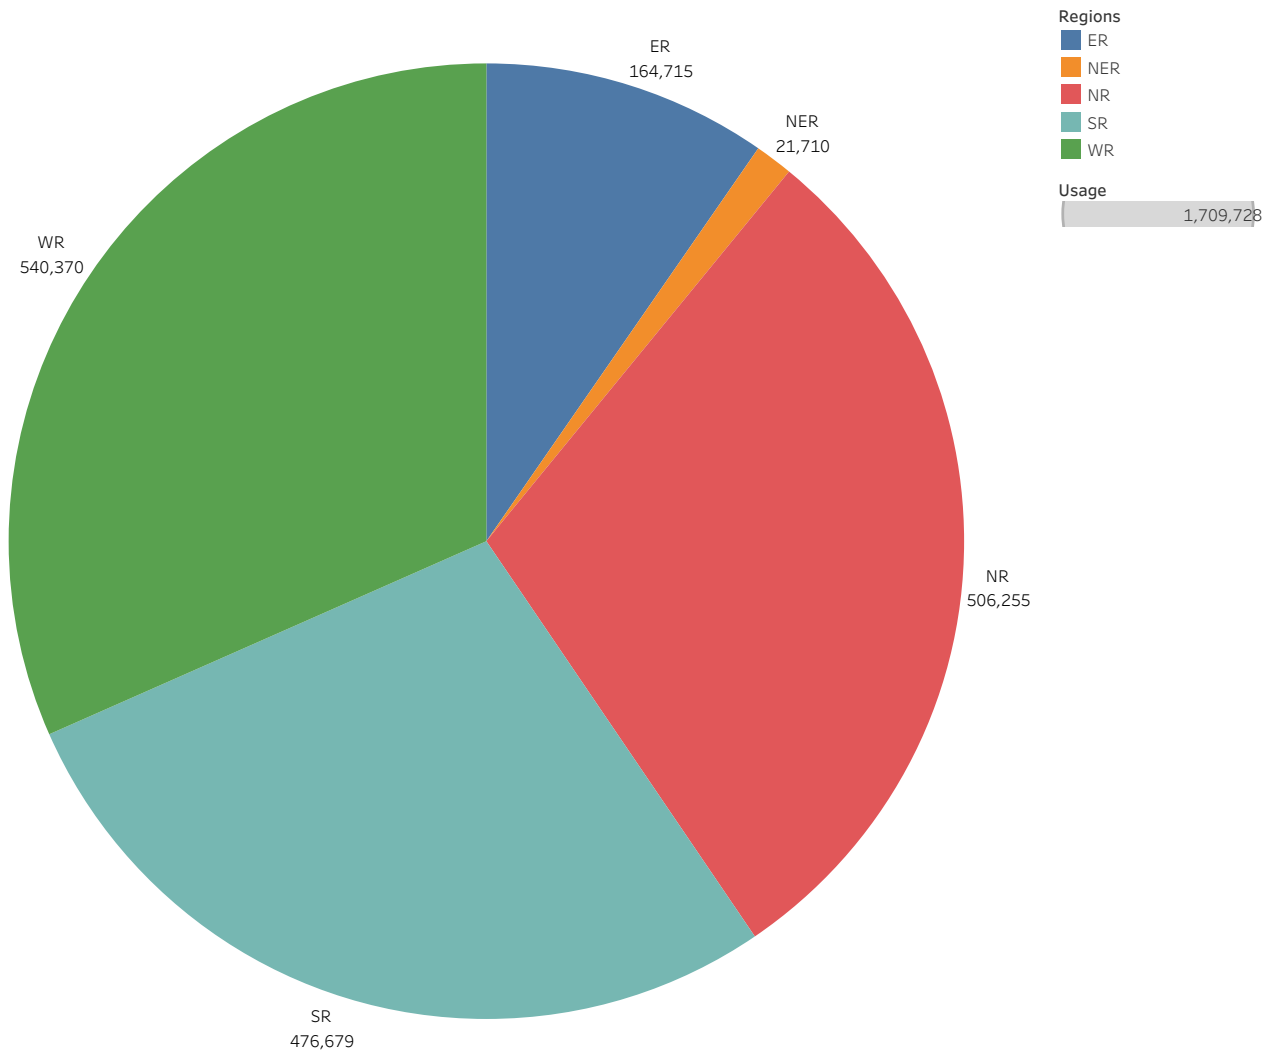

Story 1

plot contains consumption	plot contains bottom consumption	Usage by Region electricity consumpti..	monthwise region by consumption	regionwise state consumption	quater wise usage consumption	usage by year consumption
---------------------------	----------------------------------	--	---------------------------------	------------------------------	-------------------------------	---------------------------

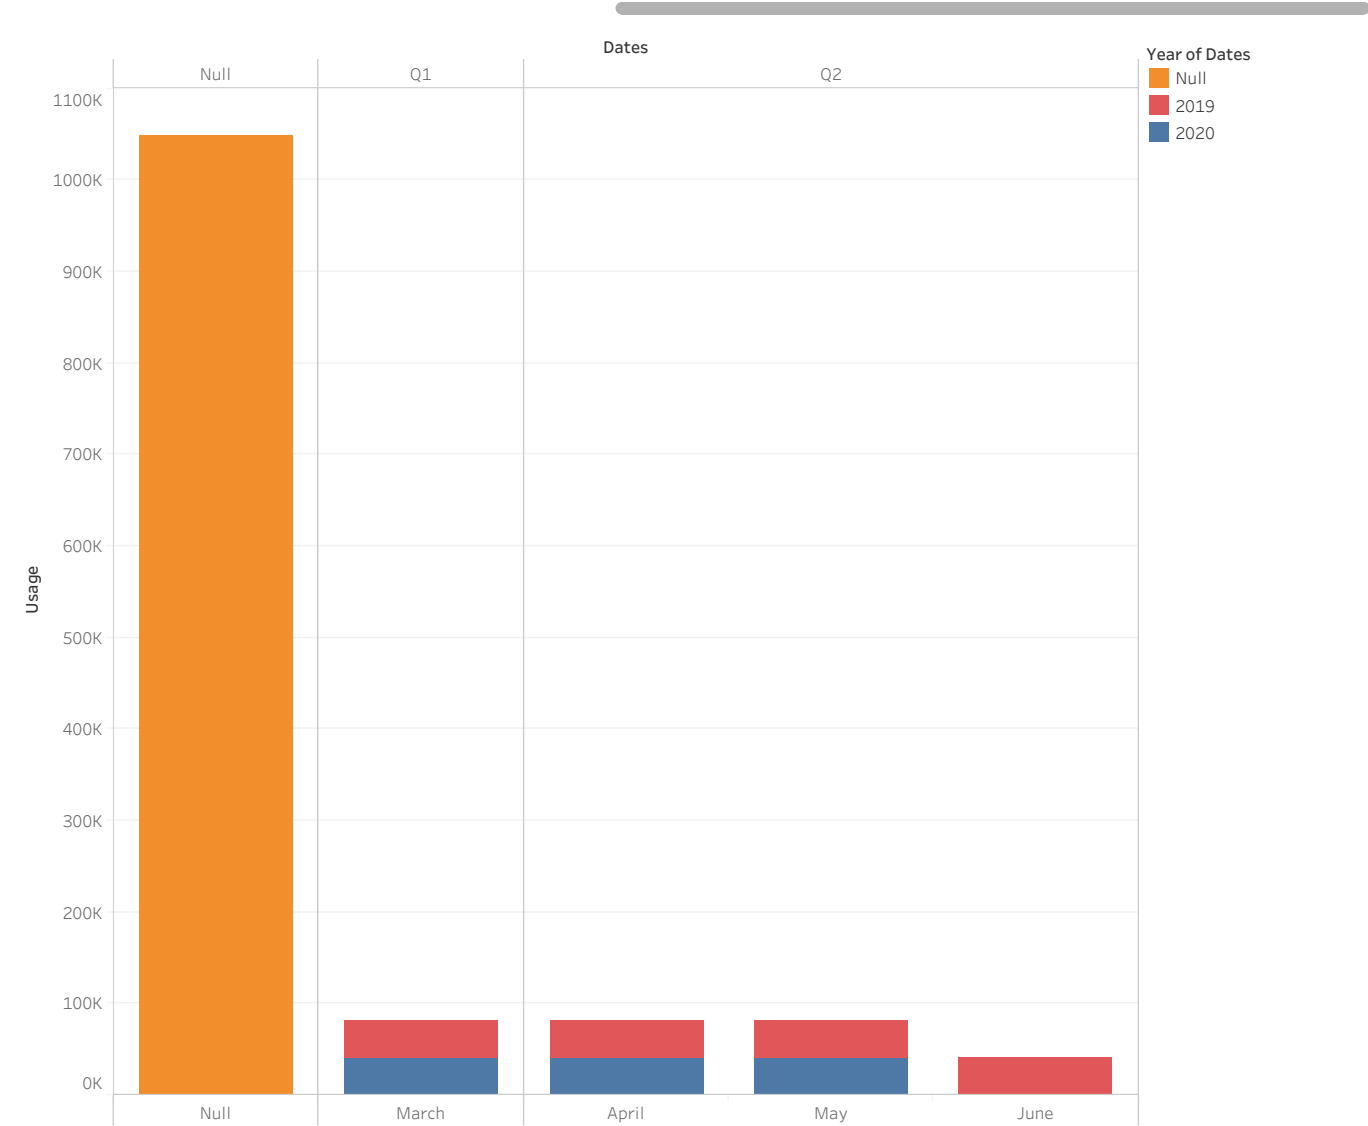

Story 1

plot contains bottom consum..	Usage by Region electricity consumpti..	monthwise region by consumption	regionwise state consumption	quater wise usage consumption	usage by year consumption	mitro city states
----------------------------------	--	------------------------------------	---------------------------------	----------------------------------	------------------------------	-------------------

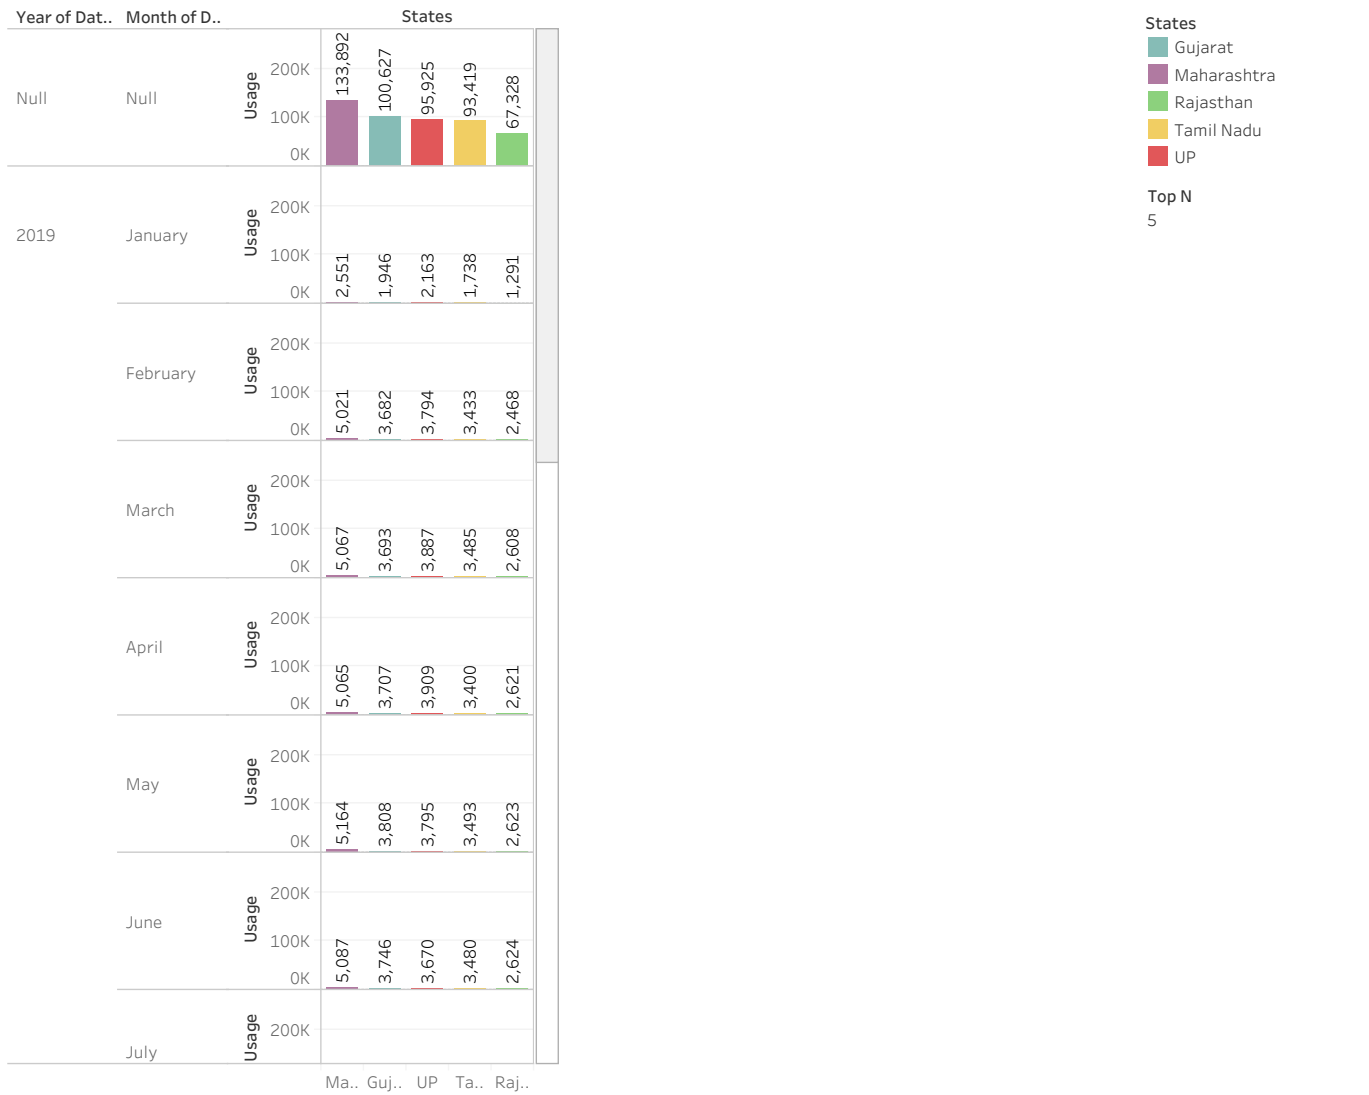

Story 1

plot contains bottom cons..	Usage by Region electricity consumpti..	monthwise region by consumption	regionwise state consumption	quater wise usage consumption	usage by year consumption	mitro city states
--------------------------------	--	------------------------------------	---------------------------------	----------------------------------	------------------------------	-------------------

Story 1

plot contains bottom cons..	Usage by Region electricity consumpti..	monthwise region by consumption	regionwise state consumption	quater wise usage consumption	usage by year consumption	mitro city states
--------------------------------	--	------------------------------------	---------------------------------	----------------------------------	------------------------------	-------------------

Story 1

plot contains bottom cons..	Usage by Region electricity consumpti..	monthwise region by consumption	regionwise state consumption	quarter wise usage consumption	usage by year consumption	mitro city states
--------------------------------	--	------------------------------------	---------------------------------	-----------------------------------	------------------------------	-------------------
